

ARUNKUMAR A

OBJECTIVE

Highly motivated optimistic individual with quick learning ability seeking for a suitable position to learn, develop and implement further developments in the hired institution.

EDUCATION

Master Of Computer Application

Anna University
Oct 2021-July 2023
Percentage- 77%

Bachelor Of Computer Application

Madras University
Jun 2018-April 2021
Percentage- 72%

12 STD

State Board
Jun 2017-April 2018
Percentage-70.5%

10 STD

State Board
Jun 2015-April 2016
Percentage-90.5%

CERTIFICATION

- AWS Certified **Cloud Practitioner**(AWSCCP)
Validation Number : NTD859WK9NQEQ92
Validate At: <https://aws.amazon.com/verification>
- Completed the “**JAVA PROGRAMMING**” Course Offered by Great Learning Academy

PROJECT

Project Title : Image and Video Steganography using RC6

Company Name : Academic Project

Work:

- Implement RC6 Algorithm
- Design protocol to hide/embed information in images
- Design protocol to hide/embed information in videos
- Test for Accuracy,Security,Efficiency
- Analyse Results

Impact:

- Improved security of steganography by using secure encryption algorithm, RC6
- Enhanced data hiding capacity of images and videos with RC6 algorithm
- Higher quality of decrypted video when compared to existing approaches
