PROFILE

"Dedicated and creative web designer with [1 year] of experience in designing and developing visually appealing, user-friendly websites. Proficient in HTML, CSS, JavaScript, and responsive design principles. Strong eye for detail and a passion for creating engaging digital experiences. Skilled in collaborating with cross-functional teams to deliver projects on time and within budget. Constantly staying updated with the latest design trends and technologies to ensure optimal results."

WORK EXPERIENCE

Just see Infotech pvt ltd

June 2023 - Oct 2024

Web Designer -1 Year and 4 Months Experience

- Collaborated with clients to understand their needs and vision for their websites, translating requirements into actionable design concepts.
- Developed responsive websites using HTML5, CSS3, and JavaScript, optimizing for cross-browser compatibility and mobile responsiveness.
- Customized and maintained CMS themes to enhance site functionality and user experience.
- Provided ongoing maintenance and support for client websites, addressing any issues or updates promptly to ensure optimal performance.
- Stayed current with emerging trends and technologies in web design and development, continually enhancing skills and adapting strategies to deliver innovative solutions.
- I designed a series of posters, Pamphlet, banners for a brand's seasonal sale and promotions incorporating bold colors and a clear call-to-action.
